Invitation

Dear Sir or Madam,

The International Court of Arbitration of the ICC has recently updated its Note to Parties and Arbitral Tribunals on the Conduct of Arbitration under the ICC Rules of Arbitration, effective 1 January 2019. In this context, the Court has also recently issued various changes to its note to the National Committees for proposals of arbitrators. ICC Switzerland took this opportunity to restructure the composition of its Commission of Arbitration and ADR, revise its organization and create a new Nomination Committee.

We have the pleasure to invite you to a late afternoon information event providing you information on important aspects of the Note to Parties and Arbitral Tribunals, notably on disclosure requirements for arbitrators, new transparency provisions and data protection. You will also be informed on the new Note to ICC National Committees. These changes are relevant for arbitrators and counsel involved in ICC arbitrations.

We look forward to seeing you in Zurich. Please feel free to forward this invitation to colleagues. Non-members are also welcome to participate. Registration is compulsory.

Yours sincerely

Urs Weber-Stecher
President

Thomas Pletscher
